

Field name	Description
University	”Constantin Brâncuși” University of Târgu -Jiu
Faculty	Faculty of Medical and Behaviour Sciences
Departament	Health and Motricity
Faculty position	13
Rank	Associate professor
Disciplines	<i>Qualified care in surgical specialties, Qualified care in ATI and emergency medicine, Histology, Hygiene, Qualified care in orthopaedics, Kinetic therapy in orthopaedic-traumatic conditions with applications in sports</i>
Scientific field	Medicine
The description of the academic position	<p>All the disciplines in the structure of the Associate Professor position are found in the curricula of the undergraduate degree programs. Given the A.R.A.C.I.S. standards regarding the ratio between the number of students and the number of teachers, as well as the achievement of the objectives of the faculty development plan, it is necessary to have the promotion in the teaching career from University Lecturer position to Associate Professor position, position no.13. Also, the disciplines are compulsory subjects and must be taught by a qualified teacher who has the qualification and research activity in the field.</p> <p>At the same time, the position of Associate Professor is justified by the need to develop a sustainable human resources policy, oriented towards the consolidation of the research activities, as a fundamental element of the teaching activity.</p> <p>The position for the promotion exam in the teaching career is a tenure track position, taking into account the great number of students’ enrolment in the specializations Midwifery, General Medical Assistance with prospects in the labor market.</p>
Academic duties	<p>Disciplines</p> <p><i>Qualified care in surgical specialties – one hour teaching activities</i></p> <p><i>Qualified care in ATI and emergency medicine – two hour teaching activities</i></p> <p><i>Histology – one hour teaching activities and two hour seminar</i></p> <p><i>Hygiene - two hour teaching activities and two hour seminar</i></p> <p><i>Qualified care in orthopaedics - one hour teaching activities</i></p> <p><i>Kinetic therapy in orthopaedic-traumatic conditions with applications in sports -one hour teaching activities</i></p> <p><i>two-hour consultations two-hour evaluation activities</i></p>
Wage	6481 lei

<p>Description of the competition procedure</p>	<p>The competition procedure will be in accordance with the National Education Law 1/2011 with subsequent amendments and completions.</p>
<p>Documents List</p>	<p>A1. The application for exam registration, signed by the candidate, which includes a statement on his own responsibility regarding the veracity of the information presented in the file;</p> <p>A2. Proposal for developing the candidate's academic career, both from a teaching point of view, in the case of teaching positions, as well as from the scientific research point of view. The proposal is written by the candidate and contains a maximum of 10 pages.</p>

A3. Curriculum vitae of the candidate, in original, signed by the candidate on each page and in electronic format.

The curriculum vitae of the candidate must include:

- a) information about the studies carried out and the diplomas obtained;
- b) information about the professional experience and relevant jobs previously occupied;
- c) information about the research-development projects that he led as project manager or in which he activated as a member, indicating the funding source;
- d) information about prizes or other elements of recognition of the candidate's scientific contributions;
- e) other relevant information.

A4. List of the candidate's works in printed format (in original, signed on each page) and in electronic format.

The complete list of the candidate's works will be structured as follows:

- a) the list of the maximum 10 works considered by the candidate to be the most relevant for his own professional achievements, which are also included in electronic format in the file and which can be found in the other categories of works provided by this article;
- b) doctoral thesis or theses;
- c) books and chapters in books;
- d) articles/studies published in journals from the main international scientific stream;
- e) publications *in extenso* appeared in works of the main international specialized conferences;
- f) research-development-innovation projects based on a contract/grant that he led as a project manager or in which he activated as a member, indicating the source of funding;
- g) patents and other industrial property titles;
- h) other works and scientific contributions.

It is advisable to mention all the useful information to identify the respective publication, such as: title of the journal (including ISSN), quoted (Impact factor over the last year), volume, page, name and place of publication, hyperlink indexed ISI, hyperlink indexed ISI (including WOS code), hyperlink indexed BDI journal, hyperlink indexed BDI work with indication of respective databases, etc.

This information is absolutely necessary for the works selected by the candidate in point (a) for the teaching positions and those that support the candidate's compliance with the minimum UCB and national standards, specific to each position.

A5. The fulfillment of the minimum standards for appointment to the position of Associate professor according with the Ministry of National Education and Scientific Research Order 6129/20.12.2016, completed and signed by the candidate, in

printed format (in original, completed and signed on each page).

A6. Documents attesting the possession of the title of doctor: copy, according to the original, of the doctoral diploma and, if the original doctoral diploma is not recognized in Romania, the certificate of its recognition;

A7. Summary of the doctoral thesis in Romanian and in a language of international circulation (maximum one page for each language).

A.8.Candidate responsibility statement indicating the incompatibility situations provided by Law no. 1/2011, with the subsequent modifications and completions, in which he would be in case of passing the exam or the lack of these incompatibility situations;

A.9. Candidate responsibility declaration stating that he/she has not been disciplinary sanctioned in the last 3 years;

A.10. Proof of obtaining the qualification "very well" in the last 3 years;

A.11. Medical certificate stating the ability to carry out didactic activity;

A.12. Copies of other diplomas which attest the candidate's studies (baccalaureate degree, bachelor's degree, master's degree/post-graduate studies, Certificate attesting the psycho-pedagogical training) or, if the original diplomas are not recognized in Romania, the certificates of recognition or equivalence, copies of other diplomas attesting the candidate's studies. The copies are signed by the candidate with certification "according to the original";

A.13. Copy of the identity card or, if the candidate does not have an identity card, the passport or other identity document drawn up for a purpose equivalent to the identity card or passport;

A.14. Copies of documents to corroborate the name change, if applicable (marriage certificate or proof of name change);

A.15. Candidate responsibility statement that he is not in any situation of incompatibility stipulated in Law no.1 / 2011, the Law of National Education, with the subsequent modifications and completions, and the Framework methodology issued at national level;

A.16. Maximum 10 publications, patents or other works of the candidate, in electronic format, selected by him and considered to be the most relevant for his professional achievements. Books and chapters in books will be filed in physical format.

A.17. The document for paying the exam registration fee;

A.18. List of references with their contact details, for the position of Associate Professor at least 3 names and contact addresses of personalities from the respective field from the country or abroad, who have agreed to elaborate letters of recommendation regarding the professional qualities of the candidate.

	The file will include the cover page and the content. A CD/DVD, or other electronic format, with all its scanned content, including the map with the 10 significant works, is attached to the exam file for submission to the exam commission.
Address where the competition file will be sent	„Constantin Brâncuși” University of Târgu-Jiu, no. 36, Unirii Street, Târgu-Jiu, Gorj
Commission	The examination commission is made up of 5 members, including its president, specialists in the field of the position or in related fields. The examination commission includes at least 2 alternate members. The appeals commission is established through the same procedure as in the case of the examination commission.
Methodology	Upload files with doc, docx or PDF extension. The maximum supported file size is 10MB.
