The description of the academic position	Associate professor, position 9, Department of Juridical and Administrative Sciences. The disciplines in the structure of the position can be found in the curriculum of the Law undergraduate program and the Master's degree programs in Legal Protection of the Person and his Patrimony and Judicial Career within the Faculty of Education Sciences, Law and Public Administration. Also, the position includes, in addition to the didactic activities, activities of guiding bachelor's theses, guiding master's dissertations and consultations. The position is open to competition for an indefinite period. The opportunity to put this position up for competition is given by the fact that, in the perspective of the periodic evaluation of the bachelor's and master's degree programs in the field of Juridical Sciences, it is necessary to follow the compliance with the ARACIS Standards regarding the coverage of the positions established in the State of personnel functions didactic of the Department of Legal and Administrative Sciences, with tenured teaching staff. Associate professor post (position 9) is proposed for open competition for an indefinite period, taking into account the need to develop a sustainable human resources policy, aimed at ensuring the teaching of specialized subjects by teaching staff trained in the specialty of the subjects, and , at the same time, towards the consolidation of research activities, an essential element for the periodic evaluation of bachelor's and master's degree programs and for the higher education institution.
